KEPPING'S COMPOUND FLUID EXTRACT OF SASSAPARILLA AND QUEEN'S DELIGHT.

There are few cases of chronic and painful Rheumatism that will not yield to the influence of Sarsaparilla and Queen's Delight if duly persevered, especially if taken in conjunction with Hydr. of Potash, times called Mercurial Rheumatism (violent pains in the bones, &c.) resulting from the mercury taken by patients during severe fevers and other protracted diseases.

It is highly recommended for all diseases of the skin, chronic as well as recent. One bottle will, in most instances, effectually remove all pimples, pustules, or blotches on the face, to which young persons in this climate are so much subjected to, arising either from impurity of the blood or debility. It is the best remedy known for scrofulous affections, sores, and breakings out in young children, and is safe and efficacious in removing entirely every trace of hereditary diseases from the system in the tenderest infant; in fact in all cutaneous affections it is invaluable. As a general purifier of the blood, and an eradicator of all obstinate diseases this preparation will undoubtedly take the precedence of all other remedies. It gently operates upon and regulates the bowels, restores to the blood its wonted purity, gives tone to the stomach, and promotes digestion.

It will effectually relieve Erysipelas even in its worst stages, and all persons suffering from this distressing complaint are advised to use it, first so, but if no marked relief be found after taking one bottle, it will be necessary to use the Hydrated Potash with it.

Not wishing to publish certificates as is done in the case of all quack medicines of the day, to effect their sale, and so force them upon the public, the subscriber begs leave to state that this preparation has been prescribed and used by a number of Physicians and Planters of our city and neighborhood, with great success, viz: Dr. H. R. Frost, Dr. W. G. Ramzay, Dr. Thos. Y. Simmons, Dr. C. C. Pritchard, Mr. S. Legare, Lieut. Wilson, U. S. R. S., all of this city, Dr. James Stoney, Beaufort, Dr. J. A. Mayes, Sumter, &c.

For the composition of this preparation, and the Medicinal Properties of the Queen's Delight, Physicians are respectfully referred to the 6th and 6th Nos. Vol. I, of the "Southern Journal of Medicine and Pharmacy."

Price \$1 per bottle, or \$5 for 6 do. The same preparation as a Syrup, is also prepared at \$1 per quart bottle, or \$5 per 6 bottles. Prepared by J. PETER M. EPPING, Chemist and Druggist, King-st. Charleston, S. C.

For sale in Sumterville by the Agent, JOHN I. MILLER, M. D.

The subscriber will receive negroes laboring under any of the above mentioned diseases, even the most hopeless and obstinate cases, on treatment; or those persons having unsound negroes, and not wishing to incur the expense attendant on such treatment, and are willing to dispose of them with the view of seeing them cured, will find a purchaser in the subscriber, who is willing to give a fair price for such.

GIN MAKING, &C.

We are prepared to execute orders to any extent in the above line, both for new work and repairs. Our Gins are not surpassed by any made in the State, possessing all the advantages of the Falling Breast and Sliding Ribs, which saves a great deal in way of repairs. We also use the Steel Plate Saw, with teeth set in an angle that cannot possibly injure the finest stalk, with an improvement to regulate the moving of the cotton; our brush is constructed on a plan, giving at once, the advantages of lightness, strength and force—all very material in the successful operation of a Gin. We would invite planters to call at our shop and examine for themselves, whilst we would assure the public generally, that they shall have no cause to complain either of our work or prices.
